President Barack Obama  
The White House  
1600 Pennsylvania Avenue, NW  
Washington, DC 20500

Dear Mr. President:

On behalf of the Republican Study Committee (RSC), the largest caucus in the U. S. House of Representatives with more than 100 social and economic conservatives, I respectfully request a meeting with you to discuss issues of mutual concern and priorities for our nation.

We remain encouraged by your repeated assertions that you will work with Republicans, that you will seek input from a multitude of sources, including those who may not always agree with you. As the House's largest multi-issues caucus, the RSC has become known as a fountain of robust, forward-thinking ideas and bold action—and thus would surely be a resource for you in your presidency. We are hopeful that we can identify many areas of common ground with you, since we all seek a more prosperous, secure America.

We appreciate your positive consideration of this request. Please contact Paul Teller at [paul.teller@mail.house.gov](mailto:paul.teller@mail.house.gov) or (202) 226-9718 to work out the details. Thank you.

Sincerely,

Tom Price, M.D.  
Chairman, U.S. House Republican Study Committee
